Special Conditions _____

I, the undersigned, request permission to construct and maintain a utility facility on public right-of-way at the above location and as shown on the attached layout sheet and in accordance with provisions of Administrative Rule Chapter 70:01:08 of the South Dakota Department of Transportation. In consideration for this permission, I agree to abide by all conditions as herein stated.

1. To furnish all materials, labor, incidentals and pay all costs involved with the construction and maintenance of the utility facility. To perform approved open cut trench operations in accordance with current Open Cut Trench Policy. To restore any damaged portions of the roadway and right-of-way to equal or better conditions than existed prior to beginning work covered by this permit
2. To provide protection to highway traffic during construction and maintenance by the use of proper signs, barricades, flag persons and lights as prescribed in the "Manual of Uniform Traffic Control Devices".
3. To furnish a performance bond if deemed necessary by the Lawrence County Commissioners.
4. In the event it is deemed necessary by the Lawrence County Commissioners to move or alter the line in any way due to maintenance or highway construction within its present right-of-way width, the alteration will be accomplished by the owner without cost to Lawrence County.
