Dear Mr. Outka:

I was told by the SD Gaming Commission that I need to speak to you about the following matter:

I am needing some clarification to be sure we are in compliance with any rules as they may apply to the trike poker run we are having on Saturday July 13th.

This event has been tailored after a similar event that is done by the Lead Chamber of Commerce. This is how the event will run:

Participants will go to each of the designated stops and get their sheet stamped to show they were there.

Participants bring back their stamped sheet to the Deadwood Event Complex where they will draw 5 cards. After drawing their cards they will have the **option** of purchasing up to 3 more cards for \$5 each in hope of having a better hand. For clarification – this event is Free for any of the registered trike participants. Purchasing additional cards is purely optional.

We are providing the top 3 hands with First Gold Gaming Promo and the 1st place winner will receive ½ of whatever is raised from the purchased cards. This will be distributed to them as a cash prize. The other half of the money goes toward paying expenses to put on a fundraiser breakfast the next day for the Road Warrior's.

All of the above will be fully disclosed to the participant.

Are we breaking any Lawrence County or SD rules by operating the poker run in this manner?

I look forward to your reply.

Teresa
