Dear Mr. Agena:

I'm pleased to inform you that your application for the Court Security Grant Program has been approved. Your county is being awarded the 50% match on the requested security project outlined in your grant application. A check is enclosed for the grant award.

If your project involves video surveillance, electronic door locks or panic alarms please share a copy of the attached guidelines with your vendors prior to installation. If there are issues with any of the items, please contact the Circuit Court Administrator in your area.

In order for us to track the status of these projects, please email me at greg.sattizahn@ujs.state.sd.us upon completion of the project.

We appreciate your interest in and commitment to improving the safety of court facilities for the people who work in them, and the public that uses them.

If you have any questions, please do not hesitate to contact me.

Sincerely,

A handwritten signature in black ink, appearing to read "Gregory L. Sattizahn", with a long horizontal flourish extending to the right.
