

Approach Permit – Maitland Road – Nagel

The 3 lots outlined in blue are owned by Terry & Dyan Nagel.

Nagel's own the home on the yellow #1. They then purchased yellow #2 parcel in 2002 and then the subject lot in 2007.

The lot outlined in blue with a yellow #1 appears to have one access off Maitland road to the front of the house and a second access off Maitland road to the back of the home. The yellow lines depict the front and rear accesses.

The blue line depicts a route of potential access to the subject lot across across lots owned by the Nagels utilizing an existing approach from their property.

** Depicted in orange below are 2 previously approved approaches from 3/21/2001 by Steve Ryan, allowing a shared driveway west off the Maitland road for 2 adjacent lots owned by others.
