Hello, my name is Gary Herdt and I live just off of 2bit road on Elk View Loop. My concern that I would like to share with the commis

With all of the new homeowners moving into the area, there is more and more activity on the road such as walkers, children playing a quite large and we see then consistently along the road.

The construction activity seems to be increasing at a fast pace and the workers are in quite a rush to enter/leave the area. Also the estimating the vehicles have gone by my house at 40 mph to 50 mph consistently, the posted speed limit is 30 mph. I think it is just a and we need to do something to prevent it. The Sheriff's office has been contacted and they are seen in the area occasionally but th

Would it be possible to install seasonal speed bumps on 2bit? I realize they would not be able to remain in the winter due to plowing slow the traffic down.

Thanks,

Gary Herdt
