Re: Powder House Pass Community Improvement District –
Consent to Plan for Waste Collection/Disposal for the District
Our File No. 213026-00006

Dear Amber and Bruce:

Please consider this letter a request to be placed on the next available County Commission Regular Meeting for consideration of Powder House Pass Community Improvement District's (the District) plan for the collection and disposal of waste from the District. The Board of Supervisors approved entering into a contract for the collection and disposal of waste generated within the District. Pursuant to SDCL 7-25A-7 (22)(e), the Board of Supervisors has the power, after obtaining the consent of the local government, to plan for the collection/disposal of waste generated within the District. It is the intent of the Board of Supervisors to enter into a contract with a responsible and reliable garbage service to collect and dispose of the waste generated from single-family residents and vacation home rentals within the District. Pursuant to the formerly referenced statute, Powder House Pass respectfully requests the Lawrence County Commission consent to the District's entering into a collection/disposal agreement with a

respectable garbage service provider. Should you have any questions, please feel free to contact me. Thank you for your time and consideration of this matter.

Sincerely,

LYNN, JACKSON, SHULTZ & LEBRUN, P.C.
