To: "commissioners@lawrence.sd.us &lt;commissioners@lawrence.sd.us&gt;" &lt;commissioners@lawrence.sd.us&gt;, "library@cityoflead.com" &lt;library@cityoflead.com&gt;

Dear Lawrence county commissioners,

Our names are Jim and Darlene Burns, we live at the McKinley Apt., is Deadwood, SD. Up until we sold our home in Lead 6 years ago we resided in our home for 37 years but had lived in Lead for our married lives 42 years and myself, Darlene I was born in Deadwood, grew up in Lead, graduated from LHS and other than going away to school and the military consider and was a Lead resident. Jim's family moved here in 1958 and had lived in Lead also all there lives. So we are not just passing thru the area but committed to our towns and county.

We are appealing to you all on our own personal behave but all so many others who use the Library daily for keeping up with the news thru newspapers and other media and also for internet service to **please find a way to continue funding the Lead, Deadwood, Whitewood and Spearfish Library's** as this is so important to the residents.

Being on a fixed income means that we use the Library for our reading of so many books on various subject to checking out movies as the price at the theater is way to high. We also know that a lot of parents of school children count on the library for the same reason, the economics of the service.

We ask you to seriously, consider to fund our local library's, because this is a valuable service to the communities.

We can be reached by email at hedgehog@rushmore.com, phone 722-2087 or mail 18McKinley St. Apt. 111, Deadwood, SD 57732

Sincerely

Jim and Darlene Burns
