I, the undersigned, request permission to construct and maintain a utility facility on public right-of-way at the above location and as shown on the attached layout sheet and in accordance with provisions of Administrative Rule Chapter 70:01:08 of the South Dakota Department of Transportation. In consideration for this permission, I agree to abide by all conditions as herein stated.

- 1. To furnish all materials, labor, incidentals and pay all costs involved with the construction and maintenance of the utility facility. To restore any damaged portions of the roadway and right-of-way to equal or better conditions than existed prior to beginning work covered by this permit
- 2. To provide protection to highway traffic during construction and maintenance by the use of proper signs, barricades, flag persons and lights as prescribed in the "Manual of Uniform Traffic Control Devices".
- 3. To furnish a performance bond if deemed necessary by the Lawrence County Commissioners.
- 4. In the event it is deemed necessary by the Lawrence County Commissioners to move or alter the line in any way due to maintenance or highway construction within its present right-of-way width, the alteration will be accomplished by the owner without cost to Lawrence County.
