Re: Wharf Permit Expansion – Letter of Support

County Commissioners:

Rasmussen Mechanical Services came to the Black Hills in 2002 and served the local area performing BOILER ,HVAC , HONEYWELL DDC CONTROL and Lab Safety services . We currently employ 18 employees and have had an office in Sturgis since 2016 . Rasmussen has maintained a partnership with Wharf during our tenure in Sturgis.

This letter is written to voice full support for Wharf’s application to expand their current mining permit , with this expansion , Rasmussen agrees that Wharf’s continued operation will benefit the local community

Please contact me at 605-343-7800 if you have any further questions.

Sincerely,
