Dear Lawrence County Commissioners,

Last year, Northern Hills CASA (Court Appointed Special Advocate) volunteers impacted the lives of 78 children in the Northern Hills Area CASA (NHCASA) Program due to abuse and neglect.

The Northern Hills Area CASA Program would like to thank the Commission for your allocation of \$7500. Your generous contribution will enable us to continue making a difference in the lives of children. We appreciate the financial support of our program, which allows us to effectively advocate for abused and neglected children in Lawrence County.

Thank you once again for your generous donation and continued support of the Northern Hills Area CASA program. Together, we can change a child's story.

Sincerely,

Renae Servaty
