Hi

The Homestake Opera House is seeking permission to host a summer wide raffle. This raffle would sell tickets at \$5 a ticket and \$10 for 3 tickets. The prize is 2 season tickets to the Homestake Opera House's shows. It has an aprox \$360 value.

We plan to sell these at the summer events we attend including all 3 Lead Live events and other festivals. We will draw for the winner at the end of August.

Please let me know what else you may need in order for us to proceed with this process.

Thank You for your consideration
