Bruce Outka  
County Assistance  
Lawrence County

Mr. Outka –

Please consider this communication as my formal request to be considered for a position on the Natural Resources Committee for Lawrence County.

As a healthcare professional, I am committed to the well being of the residents of Lawrence County. Understanding the impact of nature and natural resources on the health of the human organism, I have great interest in how those resources are allocated and utilized within the framework of industry and population growth in the Black Hills. With the opportunity to expand my knowledge through the Natural Resources Committee's functions and responsibility, I can bring a citizen's perspective along with that of a health care professional.

Thank you for your willingness to forward this to the Lawrence County Commission for consideration.

Respectfully,

Sherry Bea Smith
