Dear Lawrence County Commissioners,

Last year Northern Hills CASA (Court Appointed Special Advocate) volunteers impacted the lives of 75 children in the Northern Hills Area CASA program due to abuse and neglect.

The Northern Hills Area CASA program would like to extend a very big thank you to the Commission for your allocation of \$7,500. Your generous contribution will enable our program to continue to help make an impact and a difference in the lives of innocent children. We truly appreciate the financial support of our program, which continues to allow us to effectively advocate for abused and neglected children in Lawrence County.

Thank you once again from the bottom of our hearts for your generous donation and continued support of the Northern Hills CASA program. Together, we can change a child's story.

With true appreciation,

Becky Helmberger
Development Coordinator
