We live in a beautiful area just SE of the proposed gravel pits off Homestake Rd & Larson property. This proposal is just TOO close to residential developments and future residential development.

Look at Crook City Road and Rapid City as perfect examples of what destruction a gravel pit does to a community--- they destroy the beauty that surrounds them.

We ABSOLUTELY DON'T WANT the destruction invading our property.  
We DON'T WANT dust pollution, truck traffic, devaluation of our property, wells going bad.

\*\*\*\*\*WE OPPOSE THESE GRAVEL PITS IN OUR AREA\*\*\*\*\*
