

Drum Roll Please...

The Homestake Opera House is proud to announce that one of the most important stages of the Jewel of the Black Hills Restoration plan is complete! **For the first time in decades the Opera House has a proper fire suppression and safety system!**

We can now breathe easier knowing that not only are we keeping our staff, volunteers, performers, and guests safe, but we are also securing the future of this historic gem. None of this would be possible without your help as friends of the Opera House and donors to this campaign.

We invite you and fellow friends of the Opera House for a celebration on Saturday October 7th from 1:00 PM-2:00 PM. A champagne toast will be provided by our good friends at Roundhouse Liquor as we raise a glass to this huge milestone!

We will also be honoring the Lead and Deadwood Fire Departments for their work during the fire and their service to our communities.

Please consider joining us and bringing any guests who may also have an interest in being a part of the restoration of the fabulous Homestake Opera House.

We look forward to celebrating with you,

The Board, Staff and Capital Campaign Committee at the Homestake Opera House
