

04/25/2019 Called Troy Saye (605-578-2708) with Nemo Guest Ranch to discuss the compliance issues with him. He is aware of all the issues. He is very busy and it may be hard to get in. He purchased it this way. He also discussed the question re: bringing alcohol on site during weddings etc and discussed Title 35. He would like Ron Wick involved in the discussion.

We asked him to set up an appointment prior to May 7, 2019 to discuss all of this in person. We had brought up a Conditional Use Permit for the campground and other events that they may be looking at (weddings, Outhouse Races, Rally Events, Motocross Events).

He said he would discuss with Ron Wick and his lawyer and would get back to us by next week.

5/6/2019 Called Troy Saye and asked if we could set up a meeting and he asked us to send him a letter and he would discuss with his Attorney.
